We're excited to offer two culinary programs for three age groups. The first set of courses, *Kids Cooking Adventure*, is designed for youngsters ages 8-10 and 11-13 and will be held in the months of June and July. The second set of courses, *Escoffier's Young Chefs*, is focused on young adults ages 14 – 17 and is scheduled for the month of July. Both programs of children's classes are structured similar to Cooking Uptown's adult classes, including hands-on participation and dedicated instructor involvement. Children will learn to use knives and will be cooking on the stove and in the oven. Knife and kitchen safety will be an integral part of these classes. More details can be found at the store's website, www.cookinguptown.com.

It is critical for all of our students to attend the first class of their session, as knife skills and kitchen safety will be covered in great detail to be used throughout the week. For everyone's safety, if your child misses the first day of class for any reason, it will disqualify him or her from attending the remaining classes.

All students must be the designated age for the course by June 5, 2012. **No exceptions!!**

Children's classes require as much or more investment of resources than adult classes. The rate this year is \$260 for each 4-day course.

Nikki Moore returns as the chef instructor for this second summer of kids cooking classes. She teaches adult classes at Cooking Uptown and is a graduate of Johnson & Wales. Moore enjoys introducing kids to cooking and offers in-home kids classes through her culinary business, *FOOD LOVE*.

Drop-Off/Pick-Up Procedure:

The central location for drop-off and pick-up is the back door of Cooking Uptown, accessed from Hawthorne Lane. Please do not park and leave the car unless asked to by staff. Please ensure that your child is safely through our door before you leave the premises.

Please use extreme caution in this area because children exit and enter cars during the day as well as customer traffic. For safety purposes, parents should not bring children to classes more than 10 minutes ahead of time or pick them up more than 10 minutes after class. Parents must arrive by the appointed pick-up time of 2:00 PM to avoid an overtime fee. **LATE FEE:** a late fee of \$10 per 10 minutes will be assessed if parent fails to arrive at appointed pick up time. If the driver changes, parent **MUST** give specific written permission for child to ride with someone else. This permission must be presented to the owner of Cooking Uptown the first day of class.

CELL PHONE USE PROHIBITED WHILE PICKING UP AND DROPPING OFF CHILDREN.

Refund Policy:

Every effort will be made to offer and hold classes as described by Cooking Uptown, occasionally, circumstances arise which necessitate a change. If a course must be canceled by us for any reason, applicants will receive a full refund. If after a camp has begun, it becomes apparent that Cooking Uptown's staff has not been made aware of medical or emotional needs that cannot be accommodated, or if the student is uncooperative with instructors or a detriment to other students, the child may be removed from any current or future classes that she/he may be registered to attend without refund.

No refunds to scheduled classes will be accepted after April 15th. In the unusual case where changes are appropriate prior to May 15th, there is a \$25 processing fee. There will be no changes after May 15, 2012.

General Policies:

All children will remain on Cooking Uptown premises from the time parent drops them off until they are picked up. Cooking Uptown places a high priority on providing a safe, secure and pleasant environment where students are free from distractions and can concentrate on cooking. Cooking Uptown, through the Owner and Chef Instructor, reserves the right to remove any person who negatively impacts class activities.

Children should wear comfortable clothes that can be easily washed if soiled by food items. It is important for their safety to wear closed toe shoes. No shoes with wheels and no heels are permitted.

There will be no food served other than what is prepared and eaten during the class each day.

Please ask your child to leave all of their electronic devices at home, as they will be too busy cooking and learning to use them while they are at Cooking Uptown. If your child needs to receive an emergency message while they are with us, please call the store at (704) 333-7300 and we will make sure they are informed.

Younger aged children (8-10) and (11-13) will be given activities to keep them busy setting up the kitchen when they arrive. Older aged children (14-17) will be expected to talk amongst themselves while students arrive.
